

Fish Dont Climb Trees - A Whole New Look at Dyslexia: Understanding and Overcoming the Challenges - Enjoying the Gift

Everyone is learning able, some individuals just dont learn the way they are taught. If you have just discovered you or your child might be dyslexic, or so-called learning disabled, I offer five Rs: REALISE what you are dealing with, what your choices are, and how to enjoy your full potential. Observe the ROAD TESTING of my chosen method. RESONATE with dyslexic challenges and talents, because Im only telling you what you know already on some level. Recognise the REALITY, what you need to hold onto and what you can let go of. Find RELIEF that neither you, nor your child is disabled, and that our education system will be changing, not them.
