

Demolition Man: Tales from inside and outside a boxing ring

Mat Mowat comes from Sheffield's tough backstreets. His formative years were spent in various Youth Offenders prisons around the UK. This was followed by a brief spell in the British Army, which was followed by an even briefer spell in the French Foreign Legion. In 1990 he was involved in the legendary Strangeways riot and on his release he went on to box professionally for many years. Few would argue that Matt hasn't led an eventful life! This book chronicles his journey, from angry adolescent to respected boxing trainer and mentor to countless young Sheffielders. Demolition Man is not just about the blood and guts of life in a boxing ring. It's also about resilience, optimism and courage. Moreover, it paints a memorable picture of what it is like to have no other choice in life than to fight for your survival.
