

## Oceans Submerged: Book Two, The Oceans Series

Twenty-seven year old Ocean Hawthorne thought hed known loss and pain when his twin sister Stormie died. It was his fault the world would no longer see her beautiful smile or hear her captivating laughter. The former world champion in the vicious world of MMA fighting thought hed been through the worst and has now carried that guilt and pain with him since. Then he met Livie Acosta. The moment he laid his eyes on the exotic beauty, he was hooked. In that split second of looking into her wild and hurt eyes, his heart began to beat again. He knew then that he would never be able to let her go... but was that the right thing for him to do? Because yet again, Ocean found himself surrounded by a familiar darkness, a pain so strong that even breathing hurt, and living felt impossible. Hed pushed too far in the effort to love and help her, and now... now he didnt know if hed ever see her again. Lawrence Hawthorne has been through the ringer when it came to hurt and disappointment, but nothing could have prepared him for the possibility of losing Livie. Hed just found her and now-well, now he didnt know what to think. To him, Livie was more than just a girl, more than just a friend. To Law, Livie was someone he needed to help and protect, even from herself, and hed failed that simple task. Will the Hawthorne cousins who have sworn to protect Livie survive her selfish act, or will they crumble, yet again?
