

Security and Privacy in Communication Networks: 7th International ICST Conference, SecureComm 2011, London, September 7-9, 2011, Revised Selected ... and Telecommunications Engineering)

This volume presents the refereed proceedings of the 7th International ICST Conference on Security and Privacy in Communication Networks, SecureComm 2011, held in London, UK, in September 2011. The 35 revised papers included in the volume were carefully reviewed and selected from numerous submissions. Topics covered include network intrusion detection; anonymity and privacy; wireless security; system security; DNS and routing security; and key management.
