

Dumb Jock: The Musical (Dumb Jock series Book 4)

Dumb Jock: Book Four Evan Drake needs to be a role model to his younger brother Brandon, and although hes a star on his high school basketball team, theres more to him than meets the eye. Hes interested in many things, including drama and singing, and when he joins drama club, he meets Noah Sheridan, and hes pretty interested in him, too. Noah is a super smart, cute but nerdy kid who has written a high school play about two gay students who attended Boyne City High twenty years ago, and who, in real life, fell in love with each other. When the drama department elects to use the play for their high school musical, Noah urges Evan to audition for the lead role. Evan ultimately decides he wants to be in the play, but when he shows up to audition, it sends shockwaves throughout the school. His teammates are furious, and so is his best friend Bryan. As Evan and Noah grow closer, Bryan gets more traitorous, and it seems he wants nothing more than to see his former friend broken down.
