

Spellbound: Thay, Aglarond, and Rashemen (AD&D/Forgotten Realms) [BOX SET]

The Spellbound Campaign Expansion boxed set contains: * A 128-page Campaign Guide to the three countries, including city maps and unique sites, new character kits, spells, magical items, and major NPCs. * Two 32-page adventures that immerse the PCs in the often-deadly power politics of the region. In Throne of Deceit the characters must defend Rashemen from a deadly invasion by Thayan wizardry. The Runes of Chaos sends adventurers into the heart of Thay itself to foil the mad schemes of the would-be Thayan conqueror Szass Tam. * A 16-page MONSTROUS COMPENDIUM booklet featuring twisted Thayan creations, the unpredictable nature spirits of Rashemen, and feerie creatures from the depths of Aglarond's magical Yuirwood. * Eight full-sized card sheets providing adventure hooks and encounter charts for the three realms, useful DM information, and player aids for the adventures. * Three full-color maps - two of the region, displaying greater detail than ever seen before, and one of Eltabbar, the capital city of Thay.
