

What Happens Overseas Stays Overseas

In the military they say, Don t ask, don t tell. Well you ll soon discover that it doesn t always mean what you think. Petty officer Karen Green is a frustrated wife whose husband has only been able to give her a minute of pleasure in the last few years of their marriage. Happy to start her six-month deployment she finds satisfaction from the person she least suspects which leaves her wondering if the grass is really greener... Petty Officer Lawrence Mils is a semi-retired player who thinks he s finally ready to settle down with the only woman he can t have. Petty Officer Lisa Whitehead is living the American dream. She has a breathtakingly gorgeous fiancée, great job and loyal friends. But on this deployment her world gets turned up-side down by betrayal. Seaman Anna-Mae Johnson is a naive eighteen-year-old on her first deployment who uses her looks to get what she wants. She soon realizes that always getting what she wants comes with a price.
