

# Basic Sailing and Cruising Skills

Based on Rob MacLeods 1985 publication, this new version has full colour photos and more detailed illustrations. Content is divided into the Knowledge you will need to learn to sail and Lessons broken down the way MacLeod trained thousands of new sailors - start with the basics and build levels of skill. Whether you are new to sailing or wanting to expand your enjoyment of sailing through better boat handling, this practical approach is right for you.
