The nicest piece of bavaria in my eyes. You can also watch this photo ebook on your PC and tablet. I moved to Bavaria years ago and live in the wonderful prealps area and just very few miles from amazing mountains and well known bavarian places away. I You will see pictures you might don't seen in the typical travelbooks over bavaria. Bavaria is not only the octoberfest! It is not only Konig Ludwig, it is only Neuschwanstein - it is so much more. It's a paradise outside from the carribians! From landscape AND people! Curiously allways the same things are described in the typical travel books. When you live here for a time you get a feel what bavaria and his citizens realls is. We have a good life here, very low crime, great views and loving neighbourhoods where one hand helps the other. Sticking to tradition without losing the view for modern life. Bavaria is not loud and drunk. Bavaria is a quiet place with breathtaking views everywhere you go. Bavaria is good food, good drinks, good and simple people who work hard and live good when work is done. The life in bavaria is special and the life is good. No overstressed people getting threatened from their mobiles. People here take time to listen, to speak and to live. Thats bavaria! If you like this book and enjoy the photos I will release more special bavarian photo ebooks. Enjoy the photos and please visit bavaria to enjoy the real bavarian life!
