

Song of Songs: The Book For Daughters

Originally written for the authors daughter (who recently married). A gift for those who have given up; are struggling with; or just beginning the journey of love. This gift book is a small package of wisdom from the Bibles matriarchs, who knew how to make love work. Is it preposterous for us to think that we can love someone for a lifetime? Make marriage your top goal--and dont apologize for it! There is no higher earthly ideal than marital love. Holy text enthusiastically advocates a happy, thriving marriage, full of life and fun.
