

## A Promise to my Stepbrother

Some promises aren't meant to be kept. When childhood sweethearts Max and Katie suddenly find themselves stepsiblings, the two avoid their conflicted feelings for each other by making promises that push confronting those feelings into the future, none of which they think they'll keep. As the two graduate high school and enter college, they make one last desperate promise: If they are still virgins when they graduate college, they'll lose their virginity to each other. Now graduation day has arrived and they each wonder if the other remembers the promise. And is willing to keep it. Featuring misunderstandings, conflict, missed opportunities, and impossible love, *A Promise to my Stepbrother* is a sweet coming-of-age story with a happily ever after ending, one that tackles one of romances' hottest and most provocative themes in a unique and heartwarming way. This is a stepbrother romance you won't forget.
