

# Embracing Change

Embracing Change is an inspirational story of personal challenge. When Sarah Johnsons fiance is killed by a hijacker in South Africa, Sarah carries out his wish to continue with their plan and moves to New Zealand, taking his ashes to scatter there. In her grief she hasnt counted on her gradual healing coming from two unexpected sources: Jesus Christ, and His new plan for her: Joel Baxter. But will Joels old flame, Mandy, succeed in destroying Sarahs fragile progress in both her spiritual and earthly paths? And will she ever break free of the oppressive power still held over her by the hijacker who murdered her fiance and attacked her, too? It takes a journey halfway back across the world for Sarah to face her demons, and finally forgive. Embracing Change won the Rose & Crown New Novels competition 2009.
