

## Inspired Creativity - Achieving Goals & Dreams: Life Skills for Kids (Inspired Children: Parenting Education Book 7)

All parents want their children to be empowered & successful in life. By setting & achieving goals kids can fly through life. Helping children to be proactive when striving at school, developing their creativity, training for sport or overcoming obstacles will set them up for success. Key areas explored in this book include: Goal setting, identifying steps for success, using a calendar or diary, time management, planning, motivating your child & fostering your child's creativity. The activities in this ebook are created for the busy family & only take around 15 mins to complete. Research shows that tenacity & resilience are very important factors for life success. Do your children keep going in the face of difficulty or do they tend to give up? These activities will help your children overcome difficulties & develop resilience & personal power. For example, if your child experiences a difficulty or set back in life, teaching them how to identify the problem, set goals & take action to overcome the issue, enables your child to turn a negative situation into a positive one. This is empowering & encourages your child to be creative, resourceful & resilient. The activities in this book help your children to discover what inspires them by fostering their imagination and creativity. Creating opportunities for children to nurture their creativity is beneficial for both work and play. In today's fast changing environment, being creative & thinking outside the box is a highly sought after and valued skill. Specifically, your child will learn how to turn their goals into a series of action steps, estimate the time each step will take, diarise times to work on the steps & learn how it is important to ensure that all scheduled tasks are actioned. Helping your children learn how to set goals & achieve goals will help them do well at school, sport or other creative activities which can springboard them into a successful career & serve them well in their personal lives as

well.
