

Horse Whispers & Lies (Trading Truth for Glory, About Monty Roberts)

For fifteen years Monty Roberts has reigned as King among Horse Whisperers. He is a charismatic leader endorsed by the Queen of England and revered by millions for his gentle approach to working with horses and humans. From Classrooms to PTSD Military and horses of all kinds, Monty is considered the foremost authority on behavior training. He has sold millions of books, toured the world and puts on countless demonstrations to prove his ability? yet beneath the veneer? An obscure yet oppressively persistent Documentary written by Roberts family exposes The Man Who Listens to Horses as a book of lies. They say his non-fiction book is filled with false information including the very basis of his teachings. MONTY CLAIMS HE WAS: Physically abused with whips and chains by his father: HWL says: IT DIDN'T HAPPEN. His father was cruel to horses: HWL says: MARVIN WAS NEVER CRUEL. Spent weeks with wild horses in Nevada: HWL says: CAN PROVE HE DIDN'T. Was a stunt double for James Dean & other actors: HWL says: HE WASN'T. Traveled the Nation in a special Rail Car: HWL says: CAN PROVE HE DIDN'T. The list goes on? HWL says: SO DO HIS LIES? This fascinating documentary and historical account is focused on a narcissistic personality and interpersonal relations.
