

Senior Centers: Opportunities For Successful Aging

The book features real-life vignettes that bring the text to life, providing readers with the opportunity to see how older adults benefit from senior centers. The Appendix includes a useful list of resources as well. Professionals who work with older adults including social workers, recreation therapists, nurses, gerontologists, administrators, and students will find this book to be a valuable resource. The book features real-life vignettes that bring the text to life, providing readers with the opportunity to see how older adults benefit from senior centers.
