

Chocolate Desserts to Die For!

In this next installment of Bev Shaffers To Die For! Series, home cooks will learn how to craft any chocolate delight. This tasted-and-tested collection spans the chocolate dessert spectrum, including everything from soufflés to brioches, from fondues to tarts. The recipes incorporate dark, milk, and white chocolates and range from classic to more adventurous suggestions. In addition to providing recipes, Chef Shaffer suggests unique ways to pair chocolate with other flavors, create chocolate buffets, and give chocolate as gifts. A brief history of chocolate and baking tips are also included.
