

Holland Brothers (Volume One)

Unexpected Mate - Book 1 **** After being rejected by his parents and kicked out of his pack for being gay, Brian gets in his truck and drives. Breaking down outside small town, Leyburn, Brian never thought hed meet his mate, let alone have his mate reject him as well because hes straight. Marcus is shocked by the unexpected appearance of a cute man claiming to be his mate. Marcus cant be gay. Hes the police inspector of a small town, and those two things dont go well together. Let alone the fact that all his brothers are gay. Someone needs to get married, settle down and have a family to continue the Holland name. Can Marcus come to terms with the fact his mate is a man or will he risk losing Brian forever. However, not everyone in the pack is entirely happy with this mating. ****

Determined Mate - Book 2 **** Jason Matthews had been through hell. After being drugged and attacked, being disowned by his parents was just the icing on the cake. All Jason wanted, was to see his best friend again and a place where he could heal. What he didnt expect to find was a tall, tattooed, muscle bound god who claimed to be his mate. Alex Holland, Alpha of the Leyburn shifter pack, couldnt believe his luck. The sexy little sprite standing at his door is his mate. It soon becomes apparent though that not everything is as it should be. Alex must learn to curve his Alpha instincts to immediately claim the man as his own. Alex must take things slowly or risk losing his mate forever. Can Jason learn to trust and love his mate or will the past catch up with them and ruin any chance they have at a future together?
