

# Belly Laughs: The Naked Truth About Pregnancy and Childbirth

Jenny McCarthy's best-selling *Belly Laughs* reveals all the joys and sweet discoveries of being pregnant, from puking bouts and hormonal rage to hemorrhoids, pregnant sex, and big ol' granny underpants. McCarthy draws from her own difficult pregnancy to discuss every stage of expectant motherhood in vivid, sometimes excruciating -- and excruciatingly funny -- detail. *Belly Laughs* is a must-read for any woman who is pregnant, has ever been pregnant, or hopes to become pregnant.
