

Lord and Scoutmaster

Lord and Scoutmaster is a humorous and inspirational recounting of Scouting adventures over a period of 45 years which brings the light of Scripture to these questions. Diving providence and miracles mark the hand of God leading the author, both before and after he received Christ, through trials as a youth and as Scoutmaster. The principles he has discovered give insight into the nature of boys and how to work effectively with them, and are especially relevant for today's society of broken youth and disappearing manhood. For all believers interested in the restoration of manhood in our nations young men, Lord and Scoutmaster also carries a vital message of how men can work to reproduce the good seed of Jesus Christ in a new generation of youth.
