

Gryphons Quest (Tales of the Order, Book One)

Blush: This is a sweet romance (kisses only, no sexual content) Book 1 in the Tales of the Order series. From an ancient English forest where legends hide comes a man of myth. Gryphon OConnor is a Druid warrior belonging to an Order of mythical creatures creatures who hide in todays world, fearing discovery. Now someone has stolen artifacts that could expose the Order, and Gryphon must retrieve them before his world is destroyed. He knows accomplishing this mission will come at a price. What he doesnt anticipate is falling in love with Heather, a bighearted, beautiful, fiery woman from the outside. As the worlds of magic and science collide, Gryph and Heather must brave unthinkable dangers to save both. And to keep the Orders existence a secret, someone must die. Publisher Note: This title was previously published elsewhere.
