

Faint Not! Help for the Caregiver

Faint Not reveals the difficult challenges and triumphs that accompany the responsibilities of caring for a parent or a loved one while juggling a career and home life. Through first hand experience of Joy and Pain as a caregiver, D.M. Wilson exposes the frustrations and weariness that surfaces as a caregiver of a parent despite the best intentions. After reading and applying the solutions in this book, even the most weary caregiver can be strengthened and renewed in their caregiving responsibilities.
