

Google Plus Quick Start

Google Plus is the social network created by Google. As a social network, Google Plus has a reach of 41 million, and while Facebook easily leads the pack with 140 million, Google Plus is showing the sharpest overall rise among the top social networks over this last year. Google Plus Quick Start + not only introduces beginners to all of the exciting features of Google Plus -- Google Hangouts (live interactive video chat), Google Circles (think groups or lists), Google Plus Pages (Google's answer to Facebook Pages, meant to showcase your business) and Profile pages but readers will discover how easy it is to get up and running and see results!
