

Managing Human Subtle Energy: Walking The Thought

You will clearly understand what Human Subtle Energies are and how they have been designed with a purpose - to convert non-physical energy to physical reality within your consciousness so you can enjoy life. First, see what the world of new science says about the existence and power of Human Subtle Energy. After this mind-blowing summary, find out the Laws by which these energies generated by your body operate. The inevitable startling conclusion will pound into your mind - you have not been managing your subtle energies properly - living a life of negative energy, drumming to a default destiny. Ironically, your life has turned out exactly the way you wanted it from previous thoughts and emotions. The way to change this lies in creating a habit to break old habits - through proactive Subtle Energy Management. Do you believe you can awaken the Genie in you and even control events by managing your subtle energy?
