

665 The Council of Twelve: (Part One)

ADVISORY: STRONG SEXUAL CONTENT VIOLENT GORE. NOT INTENDED FOR READERS UNDER 18 YEARS OLD. PERIOD! Whats been the purpose of your life if not to love and be loved? Thats the story of humanity, and the story of 665. The drama of finding, the needful hope in uncertainty, the dominance and submission, and the grinding within us all to become more together than we are alone. 665 TCT is all the ways we excel in our nobility and fail in our stupidity. Its about social justice and despite our beliefs, what we all share as human beings. Okay, admittedly, not all of us are human...or at least all human...or, well anyway...theres other sides to the story. Twenty-six thousand years ago, an Aries named Adam, was selected to lead the first Council of Twelve. Adam made a decision that ignited the Great War between the Four Prime Evils...and us all. Although formed to govern humanity, the Council only exists now to prevent its destruction. This is the story of the 665th Council. Youll laugh, cry, get angry, be shocked and yet, come away enriched over a vortex of sensory engagement. You meet us all: An Asian family, two southern rednecks, a gay couple and Mark: half the Council of Twelve. We circled the world to find the others with the help of a few angels and demons. From humble beginnings in 1962 to the Holy Roman Templar Knights, to Africa, Russia and home again, 665 TCT is my honor to share with you. No matter what youve read in the past...you havent read anything like this. This historical fantasy autobiography is shamelessly erotic, hosting the most elegant and explicit sex in print today. Its drama, comedy, horror and epic fantasy.
