

Taste of Malta

More than a cookbook, Taste of Malta also includes a brief history of Malta and Maltese cooking, an appendix with basic recipes for various doughs, sauces and stocks, along with an extensive section of resources, to ensure that everything you need to prepare an authentic Maltese meal is right at your fingertips. This collection features Maltese favourites like timpana (macaroni baked with tomatoes and ground meat enclosed in pastry), ross fil-form (rice baked in meat sauce), and aljotta (fish soup with potatoes and garlic).
