

## The Severing

Terrance hears the dead talk but can they help him save those who are still alive? Alex has no idea a ghost called Billy is following him around. Then a strange young man comes up to him in a public place and tells him someone is sitting at his table. Terrance talks to the dead. To him its a curse. Labeled psychotic, the dead have kept him from truly living. When he meets Alex, Terrance wants to be normal. Alex doesnt believe that Terrance can communicate with dead folks. But when his best friend disappears, Alex begins to think that Terrance may be the only one who can bring his best friend back alive.
