[Siren Menage Everlasting: Erotic Paranormal Menage a Trois Romance, M/F/M, capture, exhibitionism, light bondage, light spanking, food play, HEA] An ancient portal quietly reopened the day the Mayan calendar ended, but it wasn't the big bang ending of the world as predicted. It did, however, change everything for Destiny Harriston. Stranded on a desolate stretch of New Mexico highway, Destiny doesn't know she's just become prey for two very different hunters. One wants her life. The other wants her for life. Rock and Jag entered our world expecting to find the women their legends spoke of, but all they found was an old man babbling on about stories of Chupacabras and Midnighters. When Destiny crosses their path and is critically hurt, they'll be forced to face an ancient enemy who has lurked in the shadows for more than a millennium. Capturing their woman was the only way to keep her safe, but now two worlds are threatened and they have to choose between their love for her and protecting everything they've ever known. ** A Siren Erotic Romance
