

Boxings Hall of Shame: The Fight Games Darkest Days

In *Boxings Hall of Shame*, Thomas Myler tells the inside stories of the real fight game. He reveals the sports heroes and villains, mobsters and fixers, its shame and sorrows, providing the reader with a ringside seat at boxings greatest and most controversial contests along the way. This no-holds-barred volume includes the enraged Mike Tyson taking a chunk out of Evander Holyfields ear; Roberto Durans baffling retirement against Sugar Ray Leonard; the Riddick Bowe-Andrew Golota fiasco that ended in an ugly full-scale riot; Sonny Liston - whose mobster background was not unknown to boxing authorities - going down under Muhammad Alis phantom punch; and Jake LaMottas botched dive against Billy Fox, which turned the Raging Bull into boxings bad boy overnight. *Boxings Hall of Shame* sensationally revisits the boxing scandals, the fixed fights and the powerful influence of the underworld, taking the reader behind the scenes of the glove sport to reveal the shady underbelly of boxing through the ages.
