

Distraction: Being Human in the Digital Age (Paperback) - Common

Obsessed with what we can do with our mobile phones and the web, its easy to lose sight of the big picture, because so much is changing and so fast. We are distracted by it. This book steps back to look at our use of new technology and draws some uncomfortable and challenging conclusions about what society may need to do to get the best, not the worst, out of the digital era. Why are our fundamen...
