

500 Jams and Preserves

Jam and Preserves are well documented in our histories. The first known book of recipes, *Of Culinary Matters*, written by the Roman gastronome Marcus Gavius Apicius in the first century, includes recipes for preserves and Henry VIII was known to have a very sweet tooth; his favourite preserve was candied fruits. Preserving is part of our culture and is a perfect way to enjoy the seasons fruit and vegetable bounty all-year-round. Using the four preserving techniques shown in this book, you too can enjoy the fruits of your labour! *500 Jam & Preserves* is designed to uncover the secrets behind traditional and natural preserving techniques using sugar, vinegar, oil & alcohol. You too can learn how to perfect heavenly chutneys, crystal clear jellies, silky jams, tongue tingling pickles and melt-in-the-mouth curds. The 500 series will provide you with the skills and confidence to make your own preserves at home. This includes jams, jellies, fruity curds, fruit cheeses, relishes, pickles, chutneys, cordials, fruit liqueurs, sauces, ketchups, oil-based preserves and a variety of condiments. Jam & preserves are here for everybody to enjoy. They make great gifts and you can pair preserves with all manner of foods from ice-cream to cheese to cakes and even casseroles to BBQ meats. Let me take you on a culinary preserving journey, by the time weve finished youll be a preserving genius!
