

A Fox in a Monsoon: A Novel

An out-of-this-world adventure with a Toronto call-girl named Callista Fox who explores the exclusive sex trade during the wake of bawdy-house legislation changes. Katarina Foster used to be a typical young woman, a real estate agent with clients and contracts, a gym membership and an on-line dating profile, until she made a horrible mistake and wound up in jail where her sense of shame was truly born. Once returned to society Katarina becomes Callista Fox, an elite call-girl who works in the city of Toronto independently, conquering her shame along with mans sense of esteem in a world filled with sex, drugs and ignominy that she never imagined herself, inadvertently defying the prejudice that surrounds licit prostitution.
