

Doodle While You Work: Erase the Tedium

A survival sketchbook for long meetings, endless conference calls, and the general tedium of office life. This clever collection of half-finished doodles will help any bored office worker pass the time. It appeals to anyone who dreads long meetings, has a penchant for daydreaming and distraction, or simply sports a casual attitude toward productivity. Fun sketch opportunities include: ? Dress Your Boss ? Fill the Elevator with Penguins ? What's Hiding in the Filing Cabinets? ? How Many Teeth Are in the Sales Rep's Smile? ? Draw the Ghost Who Feeds on Your Soul Each Time You Have Lunch at Your Desk Readers can sharpen their pencils, forget the dullness of their workday life, and doodle the hours away with this fun and fully (well, partly) illustrated book.
