

Is It Just My Imagination?: Utilizing Your God-Given Imagination

Is It Just My Imagination will encourage and challenge you to use your God-given imagination to fulfill not only your dreams, but what Gods desires for you. This book will assist you with tapping into a childlike imagination where your faith and belief in the most fascinating things seemed bizarre to others but so real to you, before trials and adversity of life tainted it. God created this beautiful world and our existence in it by imagining it and then speaking it into existence. If we are made in His image and likeness, shouldnt we also have that capability? Of course we should! Your imagination will be stretched, encouraged, fueled, and strengthened with faith and boldness to speak, watch and accomplish goals you want to see come into fruition so you will prosper and live life to the fullest.
