

Wholeheartedness: Healing Our Heartbreaks

Whole Heartedness is a book full of practical wisdom, about bringing our hearts to wholeness after the crippling effects of heartbreak. Written by Dr Spezzano, a therapist of 28 years, it describes the hell of heartbreak and how it can ruin our lives - leaving us feeling defeated, cynical and ripe for another sad ending. Chuck encourages us to make use of our choices and gives us the tools to change so that we can enjoy life and love again. He also emphasises that heartbreak is common to all of us in such a way that we are freed from pain through healing and understanding. Above all, Whole Heartedness gives you back your power and your heart - the key ingredients for a happy life.
