

Ill Never Understand Men!

Ill Never Understand Men!: is a joyful look into the male psyche for all women who are eternally perplexed about why men behave as they do. With a tip of her hat to the late Erma Bombeck, Margery Ott Schuster explains male insecurities, what they think of sports, sex, commitment, their clothes sense, their gross-out behaviors, why men cant communicate with women, what they think of female backseat driving and way more. Margery Ott Schuster has it all spelled out -- finally - -for all women. Category: humor/self-help
