

What is Destiny: Princess Luanne and Wizard Heatheria

Everyone dreams of being a Princess, but Luanne just wants to be a normal, common adult. When her path crosses with pre-teen Heatheria, a young wizard whose powers far exceed her years, Luanne's life is turned upside down, right side up, and upside down again when she discovers that she, too, possesses magical powers. When a Dark magician's plot to manipulate the system is discovered, Luanne and Heatheria prove that sisterhood and teamwork are their ultimate powers as they unite against this plot to save their kingdoms and kindle the flame of a new friendship.
