

## Saddles and Memories (Mossy Glenn Ranch Book 3)

Mossy Glenn Ranch: The Mossy Glenn Ranch used to be a successful spread, but two demented owners in a row put an end to that. Although it was sold out from underneath them, three siblings re-purchase as much of the property as they can, and hire three men, Carlos, Will and Troy from Where Theres a Will, to bring the ranch back to the productive state it once was in. Will convinces them to make the ranch a haven for those cowboys and cowgirls who cant be themselves on other ranches. He wants a home for not only him and his men, but he wants a family for them, too. The different people who live and work at the ranch bring something special to it. Their lives are as twined together as their stories. Saddles and Memories by Bailey Bradford Book three in the Mossy Glenn Ranch series Salt Johnson has had his heart broken, or at least his ego dented, but hes about to meet a man who wipes away every bad memory Salt ever had. Saul Salt Johnson had a crush on the wrong man. No surprise. He doesnt have much experience when it comes to relationships despite his age. Being a cowboy in Montana means keeping in the closet, which has left Salt with a long line of one-night stands. Getting hired on at the Mossy Glenn changes all of that, and hes beginning to see that maybe he can have more than hes been settling for. He just doesnt expect to find it with another one-night stand. Andy Calder spent years taking care of his brother Destry and helping to raise his nephew, Ty. Now both are gone Destry passed away and Ty being raised by Andys spiteful younger brother. Andy hasnt forgiven himself for being manipulated after Destrys death. He just hopes Ty is happy. Andys working hard to build up the company hed started with Destry, wanting to leave Ty a legacy he could build on. Things just arent going as planned, and when he decides to blow off some steam with a sexy, rough cowboy, they end up

connecting in a way neither of them ever expected. Its definitely not a one-night stand kind of thing. Bailey Bradford About the Author: A native Texan, Bailey spends her days spinning stories around in her head, which has contributed to more than one incident of tripping over her own feet. Evenings are reserved for pounding away at the keyboard, as are early morning hours. Sleep? Doesnt happen much. Writing is too much fun, and there are too many characters bouncing about, tapping on Baileys brain demanding to be let out.
