

When In Spain: Erotic Sexcapade

Sylvia and Bruno are off to Spain to spend some time together and together with other people! On the plane they meet Marsha, a flight attendant who has Sylvia overcome with jealousy. The woman offers to show them around the place for a couple of days. While at the hotel, Syl tells her husband how she wants to be used, preferably by strangers. But she is in over her head when one night away from Bruno almost puts her in a compromising situation. This makes her realize how insecure she feels without Bruno. But just as that issue is resolved, here comes another woman to make her jealous: young Luisa! Sylvia, however, is the only woman in Brunos life. In fact, he is so devoted to her happiness that he sets her up with a couple of young men, ready to use her anytime she wants. But Bruno is not the only one who has a surprise up his sleeve This is Part 4 of a 4-book series featuring correspondence between threesome expert and author Joan Vegas, and a sexually adventurous couple sharing their own experiences. SAMPLE 1: We finished our shower and dried each other, sensuously. Back in the bedroom, he kissed me and licked my mouth, my tongue, my neck, down to my breasts. He pulled down the bed, laid me on it and got between my legs, raising and spreading them. Ill lick the edge off for you, he said. Then he lowered his face to my muff and licked it from my anus to the top of my clitoris. I shivered with delight. I was also happy I had shaved for the trip. Bruno really loves me to keep my pussy shaved. He did it for me first, but I like it too. He reached up and pulled a pillow down to my bottom, lifted me and slid the pillow under me. Pushing my legs back, he went right to the entrance to my love, and tongue-fucked me with alternating saber-like tongue strokes. Then, spreading his tongue butterfly-like, he licked deep inside me. It was so delicious! I wanted it to never end. SAMPLE 2: They stopped

dancing and just swayed to the music, kissing deeply, a kiss that lasted throughout the song. His hands went under her jacket, one hand on her bottom, the other between her legs. He found her pussy and caressed it. Her moan of pleasure was very audible. She looked over at me, questioningly. I nodded my approval. She melted into him. The song ended. Another began. They didnt stop their swaying. Bruno had found her breasts and was caressing one as he continued to caress her pussy. I could imagine how she felt, his hands are wonderful lovers. I wished it were me, but, unlike other times, I didnt feel jealousy, just love for both of them. He undid the buttons of her jacket and slid it off her shoulders. Then he held her away from him so he could enjoy the sight of her. He spun her around slowly, and then drew her close to him. Youre very, very beautiful Patty, every bit as beautiful as I imagined you to be. So, he had thought about her before. But, of course he would, he is alive, after all. While still holding her hand, he reached out to me. I went to them. He kissed me and undid my jacket. It slid from my shoulders. What a lucky guy I am. Two of the most beautiful women in the world and, for tonight, theyre both mine. He kissed me again. *For adults only. Contains oral sex, anal sex, masturbation, double penetration, gangbang and threesome.
