

## Revelations of the Golden Dawn

Even today, the cult of the Golden Dawn generates an obsessive fascination. It is a rock-solid niche in the Mind, Body and Spirit market. In this expose of the cult, the present day Archivist of the Society reveals its intimate history warts and all. In an anecdotal style and through its members and their volatile relationships, its history unfolds. The book is packed with photographs never before published, and details of the regalia and ritual.
