

Secrets of Financial Planning

This book will provide you with a short, but thorough introduction into the vast world of Financial Planning. It will touch on all the important aspects to guide you on the path to a safe and secure financial future. Every chapter has its action list. Throughout the book, there will reference websites that will help you further. This book was written by Patrick Peterhans, a Certified Financial Planner (CFP), with his own practice in Boulder, Colorado. Patrick Peterhans teaches you many principles in this book that he teaches his clients when they hire him as their Certified Financial Planner. Each chapter has an action list at the end in order for you to get started right away, as the implementation is as important as reading and learning about it.
