

F K Weyerhaeuser: A Biography

Frederick King Weyerhaeuser, eldest male of the Weyerhaeuser lumbering family's third generation, may not have matched his grandfather Frederick in fame or power, but among the progeny none was more widely known and respected -- and, within the family, loved -- than he was. How his talents and dedication helped make the Weyerhaeuser name synonymous with the lumbering industry and the clan one of the closest knit in the country is the book's focus.
