

Fresh Start (The Houseboy Book 1)

There's a first time for everything. Farm-boy Alex decides to take off and move away from everything he's ever known. He doesn't know what to expect in Somerville, but one thing is for sure, he's going to have the time of his life. However, with no job, no friends, and no skills, how will this newly-minted gay find his way? It doesn't take long for things to start happening after Alex receives a curious offer, and he runs in with a cute tattooed guy. The fun is only beginning! Fresh Start is the first part in a fun new series, follow as Alex learns about himself and has sticky, steamy adventures along the way.
