

A New Hampshire Lawyer in General Washingtons Army: A Biographical Sketch of the Hon. John Sullivan, LL. D., Major General in the Continental Army, ... the Six Indian Nations (Classic Reprint)

Excerpt from A New Hampshire Lawyer in General Washingtons Army: A Biographical Sketch of the Hon. John Sullivan, LL. D., Major General in the Continental Army, and an Account of the Expedition Under His Command, Against the Six Indian Nations While preparing this sketch of General Sullivans life, I have been dominated by the feeling that it behooves the people who live in the Susquehanna, Lehigh, Chemung, Mohawk and Genesee Valleys, to know more about their Revolutionary forefathers and the great work that those old fellows in buff and blue did for the advancement of civilization and the planting of the tree of liberty in our soil, the shade of which we of today enjoy. John Sullivan, standing amid his band of 4,000 devoted Continentals, forcing their way out into the wilderness against the savage tribes, is to me, the sublimest spectacle the history of our country furnishes. God bless John Sullivans heroes of 1779, For their brave deeds of soldier daring, Which broke the chain of the Iroquois line, And brought the peace we are this day sharing. General Sullivan was my maternal grandfathers great-uncle, and therefore I have the honor to be a great-great-grand nephew of the hearty old patriot General. For Col. Hubleys Journal, and General Sullivans report, as well as the roster of officers, I am indebted to General John Sullivans Indian Expedition in 1779, which was compiled by the late George S. Conover, of Geneva, N. Y., and published by the State of New York in 1887. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
