

The Returning (A Seer Novel)

Twenty years have passed since Carrington and Remko Brants baby, Elise, was kidnapped and they were forced to leave her captive in the Authority City. Though they fled with the Seers far from Authority reach, theyve never given up hope of rescuing their daughter from the man who betrayed them. Now Authority President, hes ushered the city into a new era of peace?one where the Scientist Roth Reynards Genesis Serum has eradicated all memory of emotion or rebellion. But the mysterious Aaron and his Seers are once again on the move, threatening the illusion the Authority has worked so hard to build. As the Seers send seven chosen warriors to rescue Elise and bring restoration to the Authority City, the lines are drawn for a final battle between light and darkness. The key to ultimate victory may rest within the strangely powerful girl who has felt forgotten but was never abandoned?a truth shell need to wage war against the powerful forces of evil.
