

# The Prophecy of the Sacred Cross (Parables of the 24th Elder Series Book 1)

A teenage boy takes refuge in the heavens, receiving protection against dark angels. He soon learns his fate is intertwined with that of his family and friends, and that his ancestors are not who he had thought. As his path above parallels unfolding actions on Earth, Timothy is faced with a test of wisdom directed by the First Hierarchy to prove his readiness to lead the front against the final battle. Discover more of this enthralling epic-length novel that combines features of Sci-fi, Futuristic and Fantasy genres within the confines of Christianity. It is only the first of two more to come, making in total the Parables of the 24th Elder Series. Special Sneak Peak: Alternate Description The Future. Heaven and Hell. Angels and Demons. Spiritual Warfare. It is only the beginning which has come. Beyond the dreary skies, which are known well to those in the year 2041, lies the Kingdom of Heavenly Creatures. But for one boy, only 12 but yet quite astute for his age, those same dreary skies part and shine light on the realities from beyond. A new land gives new hope and reveals a glimpse of His plan. Is heaven what Timothy Petrov always envisioned it to be?

Yet, aside from the quirky behavior of the creatures beyond, there exists still an order that sheds perspective on the quality of creation. A creation that possesses organization, much like what humans on earth attempt to perfect, only in this case it is without flaw. The three-leveled angelic hierarchy is rather complex, however at the same time it is only the outer shell of an existence that Timothy will soon discover himself to be intertwined with. Guided by Eryana, Arch-guardian of the Elders, he embarks on a decisive mission. Book #1 in the Parables of the 24th Elder Series, The Prophecy of the Sacred Cross reveals the glimmer of hope that is within all of us when dark times to come would suggest otherwise. Through fantastical concepts grounded by faith, this epic novel opens a

new door to possibilities that would seem otherwise out of reach. Experience Peter Silas debut novel early on, and be part of a mystical journey that does not hold back on its central focus of love in Christ. For all age groups, including teen/young adults, adults and anyone seeking for a new perspective on what the future holds for us and our faith. Be amongst the first to discover how a boy embarks on an unparalleled journey.
