

## Essential NLP: Teach Yourself

Are you new to Neuro Linguistic Programming, one of the most fascinating and most powerful forms of applied psychology today? Do you want a better understanding of what makes you and others tick? Are you seeking clearer goals, more effective communication and better relationships? Essential NLP gives you straightforward access to understanding NLP and helps you to put the ideas and techniques into practice in your personal and professional life, both in your behaviour and in your important relationships. Exercises, activities, case studies, anecdotes and quizzes are used to bring each area to life. Business-related applications are evident throughout, and the book is relevant for anyone seeking a solid grounding in NLP. Also included are fascinating perspectives from leading NLP practitioners. A chapter on NLP in Action gives you an overview of practical applications of NLP, featuring profiles and interviews with people involved in those disciplines, including NLP in sports, education, leadership, selling, health, relationships and personal development. NOT GOT MUCH TIME? One, five and ten-minute introductions to key principles to get you started. AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success, based on the authors many years of experience. TEST YOURSELF Tests in the book and online to keep track of your progress. THINGS TO REMEMBER Quick refreshers to help you remember the key facts. TRY THIS Innovative exercises illustrate what you've learnt and how to use it.
