Wait Until Dawn by Bailey Bradford Book four in the Southern Spirits series Beware of what follows you back from the dead Detective Rich Montoya was attacked by Sheriff Stenleys stalker in When the Dead Speak. A year later, Rich is having a rough time, haunted by a malevolent spirit thats making his already fragile existence hellacious. Rich, whos kept to himself for the past year, is scarred more than physically. The last thing he thinks he needs is a lover, little does he know Chris Neeland is a big guy who drives a big rig, and all it takes is one look at the sexy, wounded man driving the cute little Miata and Chris is sunk. His mystical mother always told him love would hit Chris like a bolt of lightning, fast and hard and not without pain, but he kind of hadnt believed her until he meets Rich. The Southern Spirits series Theres nothing quite like a Southern drawl or Southern charmand nothing so loyal as a Southern spirit. On the surface, McKinton, Texas seems like the stereotypical small town, USA. Smiling faces greet you everywhere you go, and people are quick to lend a helping hand. Most people, that is. Then theres the ones who let hate rule their lives, who are controlled by their own twisted passions, who are determined to hurt and destroy. Only love can withstand and triumph over such hatred, but sometimes, even love needs a helping hand. Theres something in McKinton that stands ready; Southern Spirits that intervene at the worst and best of times. With their humor, charm, and death-defying love, these spirits. About Bailey Bradford A native Texan, Bailey spends her days spinning stories around in her head, which has contributed to more than one incident of tripping over her own feet. Evenings are reserved for pounding away at the keyboard, as are early morning hours. Sleep? Doesnt happen much. Writing is too much fun, and there are too many characters bouncing about, tapping

on Baileys brain demanding to be let out. Caffeine and chocolate are permanent fixtures in Baileys office and are never far from hand at any given time. Removing either of those necessities from Baileys presence can result in what is known as A Very, Very Scary Bailey and is not advised under any circumstances.
