

The Preppers Guide to Preserving Lemons: Easy & Delicious Ways To Store And Preserve Lemons For Months

I wrote this book because I wanted some delicious ways to preserve all those lemons my family couldn't possibly eat right now. Read this lemon preserving guide and discover... * How I prepare delicious fermented lemons that can be added to soups, stews, or lamb and chicken dishes. * How to preserve lemons by making them into a delicious dressing that you can serve with just about any green salad, like arugula, endive, dandelion greens, or watercress. * How I freeze use all those leftover rinds to use in cake batter, muffins, cookies, and breads to get a lemony flavor or -- my favorite -- you can even mix it with tea leaves in a tea ball. * A delicious lemon rice pilaf you can make with preserved lemon rinds. * How to make tasty lemon puree and preserve it for lemon pie filling another day. ...and many more lemon preserving secrets!
