

Settling In

Grayson Thomas was kicked out of his mothers home and given to the harsh and dirty streets of Downtown, Los Angeles at the age of fifteen. After two brutal weeks with nowhere to go and barely enough food to eat, he runs into a couple who takes him in and helps to mold him into the young man that he has always desired to be. Along his journey, he becomes one of the most sought after boxers that Los Angeles has seen. Even though his future screams success, it doesnt mean that trials and tribulations wont become a roadblock before the biggest fight of his life. Only the strongest can survive. Settling In is a tantalizing and inspirational story that stresses the importance of hard work, dedication and support as a team and not as an individual.
