The Broken Picker Fixer From Heartbreak to Soulmate: Finding the Love you Desire in 12 weeks or less is a very unique book. It is the first book that takes a look at why we keep choosing the wrong men and then provides a path of healing that includes web support. The book, uses humor and inspiration to address a serious subject repairing your GPS (Guy Picking System). Much like a GPS in your car our guy picking system can malfunction. The Good news is that it can be repaired. The Broken Picker fixer will show you how!
